

KULTOUR 2005

Multicultural Arts Victoria in association with NORPA, BEMAC, Judith Wright Centre of Contemporary Arts presents Remember Me as part of the Australia Council for the Arts' kultour multicultural arts touring initiative.

REMEMBER ME

A woman with a hidden past arrives in the city. What will happen when a lover opens her suitcase and discovers her past? Bodies collide and cultures clash as two lovers try to understand their personal pasts in the first step toward creating a future together. Remember Me revolves around four lovers; two from the past and two from the present. It explores the pains and difficulties involved in learning to step beyond the constraints of one's past, this cathartic process being necessary to move productively into the future. Choreographed by Gerard Veltre, this electrifying and highly physical production fuses multimedia designs with theatre and dance to create an awesome visual experience.
