

Be transported to East Africa in this unique musical collaboration between Maltese Australian reggae dynamo Nicky Bomba and Ethiopian born Azmari musician Dereb Desalegn.

Drums and Lions have stayed true to the Azmari tradition of combining soul, blues, reggae and Bollywood with traditional Ethiopia music while creating a new African Australian sound.

This tour is supported by Kultour: touring multicultural arts, changing Australian culture – a proud initiative of the Australia Council for the Arts

The Australian Government is proud to be associated with this tour through the national performing arts program, Playing Australia, which gives Australian across the country the opportunity to see some of our best performing arts.

Brisbane Festival is an initiative of the Queensland Government and Brisbane City Council.
