

EMERGE

festival 2008

Volunteer for MAV

We need you for the 2008 Emerge Festival

We require volunteers to help set up on Saturday June 14th and to assist with the main event on Sunday June 15th. All volunteers welcome, whether you have worked at a festival before or are seeking event experience.

The Emerge Festival is an exciting celebration of the arts and culture of Melbourne's newly arrived communities all the way from Africa to the Far East.
