

# THE GYPSY QUEENS AND KINGS

The 'Queen of Gypsies', **ESMA REDZEPOVA** is coming to Melbourne to perform at the Arts Centre in **The Gypsy Queens and Kings**. Esma grew up in Skopje, Macedonia and was discovered at age 14 by the famous musician, composer and bandleader Stevo Teodosievski. The two joined forces to create one of the most popular and successful ensembles in the entire Balkan region. Becoming partners not only on stage, but in marriage too, Esma and Stevo adopted 47 orphans and street children and gave them musical training. Their careers took the couple all over the world touring, recording and winning several awards. Esma still resides in Skopje in her home which she has furnished as a 'home of humanity and a museum of music'.

Esma will be performing together with **FANFAR CIOCARLIA** and 20 musicians and dancers from all over Europe in The Gypsy Queens and Kings for one performance only!
