Addressing the hardships of exile, the joys of love and calling for world peace, this is Ajak's second CD.

Hosted by ABC Music Deli's Paul Petran.

Ajak's songs reflect her Sudanese heritage and her desire for an end to war. "As a woman I am passionate about peace because I have seen the price women pay for war."

Fabio Chivhanda, master musician and dancer from Zimbabwe, is a virtuoso of the 22 key Mbira thumb piano. A true musical ambassador of his country.
