

City of Melbourne Laneway Commissions: Briefing Session

Tuesday 1 December @ 6pm

Dante's Cafe, 154 Gertude Street, Fitzroy

The City of Melbourne continues its successful annual program of commissioning a series of temporary artworks for the public domain. They are seeking innovative proposals from artists or groups of artists which respond to Melbourne's distinct urban setting, and that will make a strong contribution to the city's cultural vitality in 2010.

This is a great opportunity for visual artists to learn how you can be a part of this program. Artists must obtain a project brief from the City of Melbourne on 9658 9658 or www.melbourne.vic.gov.au/arts. Closing dates for submissions is 5:30pm, Friday 22 January 2010.

There will be Q & A time allocated to answer all your queries. Light refreshments will be provided & drinks available at the bar.

RSVP essential. Please register your interest by Friday 27 November to office@multiculturalarts.com.au or phone 9417 6777.
